QUEBEC TREE CLIMBING CHAMPIONSHIP 2025

THE ONLY EVENT OF IT'S KIND IN QUEBEC

The **Quebec Tree Climbing Championship** is a family gathering event. Over a weekend, visitors and their children can participate in all sorts of fun and rewarding activities such as recreational tree climbing, rides, and inflatable games. They have the opportunity to visit wood artisan booths and attend various interactive activities as well as arboriculture equipment exhibitions.

The Quebec Tree Climbing Championship

The **Quebec Tree Climbing Championship** is a tree skill and movement competitions. Professional tree workers and climbers from all over the province challenge each other in high altitude competitions for visitors to enjoy.

Sunday is dedicated to the Masters Challenge, the Championship's ultimate event. The finalists will compete for the title of Quebec champion and qualify for the International Tree Climbing Championship (ITCC).

An environmental... and social event

The **Quebec Tree Climbing Championship** is a valuable educational and awareness-raising resource on the many benefits of trees in urban environments. It leads participants to understand the importance of the arborist's profession in the preservation of urban forests for today and for the future.

The event is also a great opportunity for networking and to meet professionals from the arboricultural world. Tree workers and suppliers meet in a festive and casual atmosphere, perfect for exchanges.

EXPOSURE FOR PARTNERS

An advertising campaign will be carried out in the spring by SIAQ (Société internationale d'arboriculture Québec inc.) to promote the **Quebec Tree Climbing Championship** and attract visitors. The communication strategy will aim at positioning the event as a must-see family event this summer, both for Quebec arboriculture professionals and their families, as well as for the general public.

The SIAQ will take multiple actions through digital and traditional strategies to reinforce the presence of the **Quebec Tree Climbing Championship** and its partners among the province's arboricultural stakeholders.

Demonstrate your leadership in arboriculture

To maximize its partners' commercial benefits and to build solid and lasting business relationships, the SIAQ is proposing a revamped partnership plan this year. Unparalleled exposure opportunities are offered to increase partners' reach and maximize their investment. A unique opportunity to strengthen your position as a leader in your industry, with your current and future customers

Visitors Profile

Hundreds of participants, mainly Quebec arboriculture professionals and their families.

QUEBEC TREE CLIMBING CHAMPIONSHIP,

a strategic positioning for companies that have urban trees at heart!

2025 PARTNERSHIP PLAN

Besides reaping the benefits of the Quebec Tree Climbing Championship, increase your reach by becoming an OFFICIAL SIAQ PARTNER for 1 full year!

\$250

DURING THE EVENT

- Your logo on the **official banner** of the event. (depending on available space)

POPULAR ACTIVITIES

Only PLATINUM partners have the opportunity to present one of the following activities.*

Masters Challenge

The ultimate Championship challenge

\$3500

The Masters Challenge is intended to judge the overall effectiveness of a participant. They must demonstrate their mastery of climbing techniques, safe use of their equipment, etc. It is at the end of this highly anticipated challenge that the winners of the Championship are crowned. We then proceed with the trophy presentation, which draws to an end of the **Quebec Tree Climbing Championship**.

Friday Happy Hour

Casual Networking

\$3000

Aimed at stimulating exchanges and discussion among Quebec's arborist community, the Friday Happy Hour was introduced in 2018, in a casual atmosphere that encourages conversation. By popular demand, this perfect networking event will return this year for Championship competitors to enjoy!

Winners' Award

The highly coveted prize

\$3500

The ultimate reward for our two winners: a monetary grant of \$1,500 each for the winners to cover their participation fees at the International Competition (ITCC).

Saturday Celebration

\$3000

The concept of this evening is to "give room for conversation." The Championship participants meet at the end of a colourful day to discuss the day's events and to celebrate in a festive and casual setting. Preliminary results are announced, and medals are awarded for individual events.

*Subject to availability. Maximum of one advertiser per activity.

** Shared partnership with another partner will receive privileges associated with the Canopy plan.

THE CHALLENGES

*Only Canopy partners may present one of the five Championship Challenges.**

Workclimb — \$2000

Workclimb measures the participant's ability to move through a tree with a rope. They must move through the tree's crown and reach different workstations and then move down the tree safely.

Workclimb 2 — \$2000

The **Workclimb 2** measures the participant's ability to move around a tree using a working rope. This is the same event as Workclimb 1, but with a different configuration.

Aerial Rescue — \$1800

Aerial Rescue is a challenge that measures the participant's ability to rescue an injured tree pruner from a tree. A mannequin (the victim) is installed more than 8 metres above the ground. The participant must go up the tree to reach the victim and come back down within the allotted time.

Ascent — \$1400

The Ascent Event challenge assesses the participant's ability to safely and effectively use an approved climbing system. It assesses the climber's effectiveness in attaching a climbing system to the access rope, climbing to a bell and transferring to a descent system.

Speed Climb — 1300 \$

The Belayed Speed Climb tests the climber's ability to climb a predetermined route from the ground to about 60 feet up a tree using a belayed climbing system for safety. This event is timed, and the competitor who reaches and rings the final bell in the shortest time is the winner. Sometimes multiple bells are used to mark the route, in this case all the bells must be rung in order to complete the event.

Throwline — \$1300

The Throwline challenge assesses the participant's ability to throw and place a rope in a tree at a height of 16 to 18 metres. The participant tries to hit a target by throwing a small rope with a throwing bag.

**Subject to availability. Maximum of one advertiser per challenge.*

À LA CARTE OPTIONS

Companies interested in presenting an à la carte option can do so with cash or goods and services.*

*Other options are also available.
Contact us for more details!*

1 500 \$

Tree Donations

Give visitors the opportunity to leave with a tree to plant at home. A gift that will allow them to contribute to making their city greener while keeping a lasting memory of your business!

1 000 \$

Fun Climb

A recreational activity to learn about different climbing techniques. Kids and adults alike can enjoy climbing trees with the help of adapted equipment that makes it easier to practise.

2 000 \$

Main Tent

Offer participants, volunteers, and visitors, a place to rest, meet, and have a bite to eat in total comfort. The ultimate meeting point for the event!

1 500 \$

Aerial Lift Rides

The opportunity to climb to the top of a majestic tree in a pod. With the help of an experienced technician, you can admire the landscape from a whole new perspective.

2 500 \$

Volunteer Meals

Support and thank Arbre en fête volunteers! They work very hard on the site and will be happy to have a delicious refreshing meal offered during the event

2 000 \$

Winner Prizes*

Be honoured to present your prizes (equipment and supplies of your choice) to the Championship finalists at the trophy presentation.

*Sponsorship subject to approval from higher level partners.
Only one partner per industry is allowed to award a prize to the winners.*

EXPOSURE CHART

The partner logos will be presented in order of importance, from the largest to the smallest, depending on the chosen level.

ABOUT THE SIAQ

The Société internationale d'arboriculture Québec. (SIAQ) is a group of professionals dedicated to tree care and preservation.

The SIAQ is a local chapter of the International Society of Arboriculture, an international organization with more than 24,000 members in more than 70 countries.

SIAQ maintains privileged links in the French-speaking world, among others with the Société Française d'Arboriculture, the Swiss Tree Care Association and Arboresco (Belgium). The SIAQ is also a founding member of Québec Vert.

Its mission is to encourage a greater appreciation of trees, promote research, technology, and the professional practice of arboriculture.
